Dear Legal Secretaries Members,

It is with sincere gratitude that I write this letter. Your thoughtfulness and generosity will go far in helping the Coalition Against Rape and Abuse, Inc. (CARA) to assist our residents, clients and their children. There are many victims of Domestic and Sexual Violence in our County and kindness like yours helps to ease the struggle of those afflicted. Beyond the gift cards you provided, I wish you could see the joy you bring to so many who struggle through economic hardships. As you know, we are a confidential service and cannot share pictures and success stories like other businesses, but please know that you made a lot of people happy with your charity. Here is our EIN # 222407639 for tax purposes. You will make Christmas possible where it may not have been such a joyous one this year.

On behalf of the Board of Trustees, Staff and Volunteers at CARA, please accept our heartfelt thankfulness and appreciation for your most thoughtful gift

Sincerely,

Claire T. Galiano/ceb
